

Theho United Futbol  
Board Meeting July 16, 2006

Those in attendance were Jessica Carl, Diane Manley, Karen Gallaway, Tim Kay and Manager for John Dryer's team (I didn't get her name). Also Jim Bixby arrived and gave an update at the end.

No minutes from the previous meeting available to approve

Tim Kay reported on behalf of NC Soccer Club that their field coordinator, Launa, is waiting to hear from our Field Coordinator regarding what kind of field usage we need. Times, number of teams etc. Lower Alder Creek will not be available for use until November.

As NC Representative Tim also presented that North Clackamas Soccer is willing to provide fields at Schellenberg for a fee of \$300 per field. This fee will cover: field maintenance, lines, goals and nets as well as access to the porta potty. The field will not be available Sept 17 due to picture day for NC soccer. Discussion followed. Karen will check with Milwaukie Soccer to see what's available. Jessica will check into other field possibilities and also check with Debbie to see what was submitted to OYSA.

We are still waiting for bits and pieces of our uniforms. Diane will check with Turssi regarding billing for items not received yet. Some teams still need to collect uniform money.

We need to find out about any new field use policies with North Clackamas Parks and Recreation. Joe Loomis is the new contact for NCP&R.

Theho camp discussion tabled until next time when there are more present who participated. About 100 participants. Gross receipts \$6620.

| Expenses         | - 2780. |
| Total fundraised | \$3840. |

Milwaukie Soccer Club is hosting a Referee Class starting July 31. Call MSC Referee Coordinator, Mike Gallaway, for details. 503-653-7921

Chinook Cup deadline soon. Treasurer has paid for U12 Girls Gold and U12 boys teams so far.

Banners are good to go, teams just need to order them. Jim will e-mail managers with info to get banners made if they want.

Discussion about a tournament showcase on the website. How teams placed etc. Would this be best on our home page so people can see how we're doing or should it be on a team page?
