

Thelo Board Meeting
July 30, 2006

Those in attendance: Jessica and Chris Carl, Gordon Williamson, Jim Bixby, Karen Gallaway, Fred McNaughton, Debbie and Jim Whitaker, Greg Hess, Diane Manley

Minutes from July 16 meeting will be e-mailed to be approved at the next meeting

Team managers need to communicate with Tursi Soccer regarding problems.

The Registrar gave a big thank you to those who have been taking paperwork to OYSA.

Jim Bixby needs the team names and ages so he can update the web.

Fields are looking OK so far. It is tough with some teams wishing to practice 3 times a week. Please remember we have to share our space and fields. Fred will check on his availability to attend the North Clackamas Soccer board meeting. Maybe he could gain some insight to field availability from NC soccer.

Fred has finalized game fields for OYSA. Lot Whitcomb Saturday after 3:00 and Sundays, Meldrum Bar #1 and #2 Saturdays after 3:00 and Sunday and Alder Creek

If teams could resubmit their practice requests to Fred via e-mail he will make an updated practice schedule. Remember to include your team name. Also when do coaches want the fields lined?

Treasurer report: Chinook Cup has been paid, 8 teams are playing. Tursi has been paid. Diane proposed that Thelo reimburse Gordon for some of his player scholarships he has paid out.

Coaching update: Coaches are asking for help, that is a good thing. U-11 boys would like a few more players. Now is the time to start checking into a winter indoor league. Do we want to look into HS ball. Do we have fields or coaching for this?

Recreational Soccer is starting so expect to be sharing the space and fields more.

Diane will check on dates for photos

Someone needs to contact Beaver Creek Telephone Company. They may have some land they are developing.

Thelo camp had 90+ participants. How can we improve? Maybe two separate weeks, boys and girls. We need to look at the whole format with those who were involved.

Next meeting August 20th

(meeting was cancelled, and agenda was tabled until Sept 17th meeting)
